

FEDERAL WAY INCLUSION SCHOLARSHIP APPLICATION FORM

Here at the Federal Way Parks, Recreation & Cultural Services, we believe that every person, no matter age, race, gender, and ability has the right to participate in recreation and life-enriching programs. We also know that many persons with disabilities have different economic hardships that may prevent participants from affording these programs. We have developed the Inclusion Scholarship Fund to help individuals pay for our Inclusion Programs. Successful applicants can use these funds to pay for Inclusion Programs.
